

2024 CITIZENS FIRE ACADEMY

April 29 - July 1

Have you ever wondered what it takes to be a firefighter/paramedic? Do you want to learn about fire suppression and rescue? Would you like to view the department from a unique perspective? Consider joining our Citizens Fire Academy!

This opportunity offers residents new insights into how firefighters/paramedics serve the community and perform their duties. It is also a great way to foster better communication between citizens and fire personnel through education. The academy consists of ten (10) classes focused on topics such as hazardous materials processing, emergency medical services (EMS), fire suppression, forcible entry, fire behavior, and so much more.

Spots are limited. Please complete the application found at streamwood.org, under Fire Department, Public Education Programs. **Applications are due by April 12, 2024.** All applicants must live or work in the Village, and be a minimum of 18 years of age.

Classes will be held each Monday, from 7:00 to 9:00 pm, at Station # 31 (1204 S Park Avenue), excluding Memorial Day on May 27, 2024.
