Body-Worn Camera Program Implementation

According to the President's Task Force on 21st Century Policing Report, it was recommended that police departments implement a body worn camera program to enhance transparency and accountability between the public and police officers. The Illinois Association of Chiefs of Police and the International Association of Chiefs of Police have recommended that police departments adopt a body-worn camera program. In 2021, under House Bill 3653 (SAFE-T Act), the Illinois General Assembly required the wearing of body worn cameras for a municipality of under 50,000 residents by January 1, 2025. The Streamwood Police Department supports the use of body-worn cameras and prefers to implement them as soon as possible rather than waiting for the deadline. To that end the Streamwood Police Department adopted the Axon BW3 body-worn camera. We are currently in the process of setting up the necessary framework for the cameras and will begin training on them soon. We anticipate a limited roll-out in April, with full department implementation in May.

Streamwood Environmental Education Day (SEED)

Join us for a day filled with environmental-friendly information and activities for all ages! Our Community Relations Commission presents SEED on Saturday, April 27, from 10:00 am to 2:00 pm. As part of this event, Streamwood residents can drop off televisions and electronics for recycling, as well as paper for shredding, in the parking lot behind Village Hall. Representatives from various groups will be inside the police station with information on gardening, water quality and conservation, native plantings, recycling, and energy conservation, with free giveaways. Please look at our website for additional details.

2024 Citizens Fire Academy

The Streamwood Fire Department will host the 2024 Citizens Fire Academy from April 29 to July 1 (each Monday from 7:00 pm to 9:00 pm, at Station #31). Learn how a firefighter/paramedic performs their duties in our community. This free, 10-class program will focus on topics such as hazardous materials processing, emergency medical services (EMS), fire suppression, forcible entry, fire behavior, and so much more. Space is limited for this popular program! **Applications are due by April 12.** To learn more, visit our fire department's page on our website.

Village Board News

Daylight Saving Time

Spring ahead on Sunday, March 10, by moving your clocks forward one hour. The Streamwood Fire Department would also like to remind you to test your smoke and carbon monoxide (CO) alarms.

Did You Know?

The Village works on a variety of projects each year to ensure our infrastructure is well maintained. A list of projects and updates (such as construction, roads to be resurfaced, watermain replacement, concrete repairs, etc.) can be found on our website under Public Works, Construction Updates.

Community Blood Drive

The Streamwood Blood Commission held its first drive in January, collecting 55 total units of blood! They are hoping to exceed that number at the next blood drive which will be held on Wednesday, April 24, from 1:00 pm to 7:00 pm at Fire Station #31. To register to donate, please contact Vitalant at 877-543-3768 or visit vitalant.org to register. Be sure to use sponsor code ORDOSW98. Appointments preferred, but walk-ins are also welcome. Please remember, a pint of blood can save up to three lives!

Keep Storm Drains Clear and Clean

When rain falls only some soaks into the ground. Areas with a lot of pavement, such as driveways, streets and sidewalks, have more storm water runoff because the ground can't absorb the water. Water flows toward the streets and then into a storm drain. Many people believe that storm drains are connected to a sewage treatment plant; they aren't. Anything that goes down the storm drain goes untreated into local area streams and lakes. Help us keep our natural water areas clean!

Save The Date

The Veterans Memorial Commission will host a Memorial Day Ceremony on Sunday, May 26, at 11:00 am. Please join us as we honor those who have served in the armed forces, as well as those who are no longer with us and paid the ultimate sacrifice to our country.

Village Board News

Distracted Driving Campaign

April is Distracted Driving Awareness Month. With warmer weather, more vehicles and pedestrians are out and about. The Streamwood Police Department will be participating with the Illinois State Police and over 200 local law enforcement agencies in the Illinois Department of Transportation's distracted driving campaign beginning Monday, April 1 through Tuesday, April 30. Texting while behind the wheel tops the list of distractions, but other actions are just as unsafe such as setting up your navigation system, changing radio stations, scrolling through social media, drinking and eating, applying makeup or shaving, dealing with kids or pets, and so much more! If you are distracted while you are driving, you deprive yourself of important seconds that may be needed to avoid a close call or serious accident. The Streamwood Police Department urges all drivers to focus on the road.

2024 Motor Fuel Tax Utilization

Motor Fuel Tax (MFT) is a tax based on the consumption or purchase of motor fuel in Illinois. MFT funds are collected by the State of Illinois and distributed to local municipalities on a per capita basis. Municipalities receive and utilize these resources to fund critical transportation infrastructure projects in their cities, villages, and towns. MFT funds can be used to construct and maintain roads, traffic controls, street lighting, storm sewers, sidewalks and other pedestrian paths, off-street parking facilities, and much more. In 2024, the Village Board recently adopted its annual resolution authorizing the appropriation of Motor Fuel Tax (MFT) funds (\$3.2 million) for road reconstruction and resurfacing in our community.

50/50 Parkway Tree Program

Streamwood's Parkway Tree Program gives residents the opportunity to purchase a tree for their parkway at 50% of the cost — you pay half the cost of the tree, and the Village pays the other half! Orders must be received by **March 8, 2024**. Visit our website for more information, under Public Works, Preserving Our Natural Resources.

Village President's Message

As the weather begins to warm up, everyone will be looking for things to do outside of the house. Perhaps you are searching for ways to visit with your neighbors.

Join members of our fire department as they "Brave the Shave" on Sunday, March 3 at their annual St. Baldrick's Foundation Fundraiser for childhood cancer research at Chicago Loop Sports Bar & Grill. Our police department will be raising funds for Illinois Special Olympics on Saturday, March 16, with the Polar Plunge. Working together, we can make a difference in our community and beyond! Details can be found on our website calendar.

Police beat meetings will begin again on Tuesday, March 5. This is a great opportunity to spend some time with members of our police department, allowing you to ask questions, share concerns, or learn what is happening in specific areas. Details can be found on our website.

Golf offers many physical health benefits, as well as overall mental well-being. If the weather permits, the Streamwood Oaks Golf Club will be opening for the season in mid-March. Call 630-483-1881 to schedule your tee time.

The 2024 Presidential Primary Election will be on Tuesday, March 19. Early voting begins Monday, March 4. Be sure to exercise your right — VOTE! (see page 4)

Do you want to learn more about the important services our fire department provides to our community? Consider joining our 2024 Citizen's Fire Academy! (see page 1)

Come watch members of our police and fire departments battle it out on the basketball court as they raise money for charity (and winners' bragging rights) at Guns N Hoses on Friday, April 5, at Streamwood High School. (see page 5)

Please consider helping your neighbors by donating blood. We are fighting to end the blood shortage! The Streamwood Blood Commission will host its second event of the year on Wednesday, April 24, from 1:00 pm to 7:00 pm, at Fire Station #31.

Time for spring cleaning! As you clear out the clutter, keep in mind we will be hosting the Streamwood Environmental Education Day (SEED) event on Saturday, April 27. As part of our SEED event, Streamwood residents can drop off unused and old electronics for recycling. It's also a great time to safely discard unused prescription drugs and drop off paper goods for shredding. (see page 1)

This is also a good time to look at the service opportunities we have available within the Village. Whether it is serving on a board or commission, or volunteering at an event, we rely on residents and local business members who generously give their time and talents to our community. Please review the opportunities available on page 5. If you have any questions, please contact my office at mayor@streamwood.org.

As the days get longer, I hope you and your family enjoy the weather as you get outside together.

Sincerely,

2024 Presidential Primary Election

Early Voting will be held in the Streamwood Community Development Garage (351 E Irving Park Road, behind Village Hall) **Monday, March 4 through Monday, March 18** with hours as follows: **Monday through Saturday, 9:00 am to 5:00 pm; Sunday, 10:00 am to 4:00 pm.** The hours and dates are stipulated by the Cook County Clerk. All eligible suburban Cook County voters are welcome. For a complete list of early voting sites, please check the Cook County Clerk's website: cookcountyclerk.com/elections or call 312-603-0900.

Voter registration will be available during early voting. If you wish to register, or change your information, you must bring two pieces of identification - one with your current Cook County address. A designated drop box will be located with the early voting judges (in the garage) for those voters who have a mail-in ballot and do not wish to use the USPS mail during early voting only.

Election Day is Tuesday, March 19, 2024. Polls open at 6:00 am and close at 7:00 pm. On Election Day, you **MUST** vote at your home precinct location.

Don't Block The Sidewalk

Police enforcement begins Friday, March 1! Please do not park over any sidewalk between 7:00 am to 9:00 pm, Monday through Friday, and 9:00 am to 9:00 pm, Saturday and Sunday, per Village Ordinance 5-3-1 (L). Violation of this ordinance may be subject to a citation, with a minimum fine of \$25.

Prepare For Severe Weather

Spring brings us green grass, budding flowers, green trees, and long-awaited warmer temperatures. But spring is also the beginning of the severe storm season. In our area, we are susceptible to many types of severe weather. The Streamwood Fire Department would like to provide some tips to help keep you safe before, during, and after severe weather: use battery-powered flashlights and lanterns during power outages, remember candles, especially unattended, have a high likelihood of causing a fire; make sure you have working smoke and carbon monoxide alarms; use surge protectors; create or review your home fire safety escape plan; and never enter a flooded basement. Be Weather-Aware: Check the forecast regularly to see if you're at risk of severe weather. Listen to local news or a NOAA Weather Radio to stay informed about weather watches and warnings. Most smart-phone weather applications provide severe weather alert options.

Need To Dispose Of An Old Flag?

There is a flag disposal box in Village Hall just inside the front (east) doors. Simply drop off any flags that no longer fit for public use. Members of VFW Post 5151 will ensure its proper destruction.

Service Opportunities

Advisory boards and commissions serve as additional resources to the Village Board and staff. By donating your time and talent, you are contributing to the spirit of volunteerism within our community, making it a better place to live, work, and play. We have opportunities for you to get involved. Please take a moment to review our commissions that currently have openings and the valuable work they do:

- The **Civil Service Commission** makes the rules for employee examinations, appointments, and removals to promote fair and equal treatment and opportunity under the law. They meet on an as-needed basis at Village Hall.
- Members of the **Community Relations Commission** make recommendations to the Village Board on programs to improve human relations in the Village, while recognizing, valuing, and respecting the diverse cultures in our community. They meet on the 4th Thursday of each month, at 6:00 pm, at the Streamwood Police Department.
- The **Veterans Memorial Commission** is a dedicated group of veterans who make recommendations to the Village Board on the presentation and enhancement of the Veterans Memorial, all events held, and funding for its continued maintenance. They meet on the 4th Tuesday of each month, at 7:00 pm, at Village Hall.

If you are interested in volunteering, please complete the *Commission Application* found on our website: streamwood.org (under *Government > Boards and Commissions*) and return to the Village President's office at mayor@streamwood.org.

Guns N Hoses Is Back!

The Streamwood Police and Fire Departments are ready to battle it out on the basketball court to see who will come out on top. The charity game, on Friday, April 5, at Streamwood High School, will raise money for families in need within our community. A night of family fun you don't want to miss – be ready to get loud and cheer on your favorite team! Tickets will be available for sale at Village Hall, Police Department, Fire Station 31 (1204 S Park Avenue), or at the door. The game begins at 7:00 pm; doors open at 5:30 pm. For more information, please contact info@streamwoodgnh.org or 630-344-9441.

2024 Police Beat Meetings

The Streamwood Police Department hosts regular Beat Meetings to help residents learn about services and gives them the opportunity to let police know about issues and concerns. The Village is divided into four beat areas (see map). The meetings are held at 7:00 pm within the community; locations will be posted on the Village website calendar. Beats 1 and 3 will meet on Tuesday, March 5. Beats 2 and 4 will meet on Tuesday, April 24.

2024 Summer Celebration

Streamwood Summer Celebration will be held from Friday, July 26 through Sunday, July 28. This three-day family-oriented event will be held at Hoosier Grove Park on Irving Park Road. There are many opportunities for involvement. We are currently looking for business sponsors, raffle donations, food vendors, exhibitors for the business expo, parade participants, and MANY volunteers! Please visit the website for the schedule of events, applications, and more details: streamwoodsummercelebration.org

School District U-46

Registration For 2024-25 School Year Now Open

Families with school-age children are encouraged to begin early registration by following the instructions available at u-46.org/registration. No instructional fees will be collected. Early registration helps the District make important decisions about staffing, classrooms, and transportation. If you have a child entering kindergarten, 6th, 9th, or 12th grades next school year, the state of Illinois has certain health requirements for them. For incoming seniors, that means proving they are up to date on their meningococcal vaccine. For students in the other listed grades, physical exams and certain immunizations are required. Families are encouraged to make doctor's appointments now, since pediatrician's offices are very busy in the summer.

Spring Public Sky Shows At U-46 Planetarium

On Monday, April 8, a total solar eclipse will cross North America. To help you better understand the eclipse and how to view it safely, the U-46 Planetarium is hosting four public sky shows this spring. The hour-long, free shows are scheduled for 4:30 pm and 6:30 pm on Thursday, March 7; Tuesday, March 12; Thursday, March 21; and Tuesday, April 2. Doors will open at 4:00 pm. Seating is limited and on a first-come, first-served basis. Optional solar viewing glasses will be available for \$2 each, while supplies last. The Planetarium is located at 312 Watch Street in Elgin, with free parking at Raymond Street and National Street, one block away. More information is available at u-46.org/planetarium.

U-46 Job Fair

Come be part of the team at School District U-46! Discover a wide range of employment opportunities on Friday, March 15, from 3:00 pm to 6:00 pm and Saturday, March 16, from 9:00 am to 12:00 pm at the U-46 Welcome Center, 1019 E Chicago St, Elgin. We have vacancies for teachers, bus drivers, groundskeepers, food service technicians, dean's assistants, secretaries, and more. We offer full- and part-time positions with great benefits. U-46 offers competitive wages, professional development, and growth opportunities for all in a diverse and welcoming environment. Here at U-46, we have a place for all. On-site interviews will be conducted. Contact humanresources@u-46.org with questions.

Unite U-46 Update

School District U-46 continues to move forward in working to meet the recommendations of the Unite U-46 community engagement initiative, which include shifting to a true middle school model and enhancing the educational experience for all students. The next community engagement session is at 7:00 pm on Thursday, April 4, at the U-46 Welcome Center, 1019 E Chicago St, Elgin. It will be held in conjunction with the Community Advisory Council. The focus of the session will be attendance boundaries. More details, and recordings of past sessions, can be found at u-46.org/uniteu46.

Branch Pickup

Public Works will collect branches, free of charge, from your curbside during designated collection days. Simply place branches at the curb by 6:00 am on the day your area is scheduled for pickup. It is important to have your branches out by the scheduled morning listed below to avoid being missed by the branch pickup crews. Crews collect branches as soon as possible but cannot be expected to return if branches are not out in time. Branches must be placed with the cut ends facing the street. Branches cannot be longer than ten feet (10') in length and have a diameter of no larger than six inches (6"). The Village is divided into four areas for pickup service (see map). Each area receives branch pickup service once per month.

| Area 1 | Area 2 | Area 3 | Area 4 |
|-------------|-------------|--------------|--------------|
| April 1 | April 8 | April 15 | April 22 |
| May 6 | May 13 | May 20 | May 28 |
| June 3 | June 10 | June 17 | June 24 |
| July 1 | July 8 | July 15 | July 22 |
| August 5 | August 12 | August 19 | August 26 |
| September 3 | September 9 | September 16 | September 23 |
| October 7 | October 14 | October 21 | October 28 |

Crews try to collect branches as soon as possible. It usually takes more than one day to collect all branches in each area; however, the branches must be at the curb by 6:00 am on the first day your area is scheduled for pickup. If you have any questions or concerns, please contact Public Works at 630-736-3850.
